Recommendation Letter

I am writing to enthusiastically recommend **Mahdi Bel Haj Said** for an internship position. I had the pleasure of supervising Mahdi during his internship at **CIPI-ACTIA** in June 2024.

During his internship, Mahdi consistently demonstrated a strong work ethic, a keen eye for detail, and a quick learning ability. He was highly motivated and eager to contribute to the team's projects.

In addition Mahdi possesses excellent interpersonal skills and a positive attitude. He was always willing to lend a hand, collaborate with colleagues, and actively seek out new challenges. His ability to work both independently and as part of a team was commendable.

I am confident that Mahdi will be a valuable asset to your organisation. He is a highly talented and dedicated individual who is eager to learn and grow. I wholeheartedly recommend him for a summer internship position.

Feel free to contact me if you have any further questions or require additional information.

Sincerely,
